
Rent your life! Collaborative consumption

[Enlarge photo](#)

Swapping, sharing and renting your life out to save money and increase your wealth... of experience.

Your car, house, holiday home, they could all be shared, sometimes for an attractive rental.

There are many ways to embrace this new lifestyle.

There is even "social lending" – peer to peer loans - which our guest Rachel

Botsman says now make up 10% of the UK finance market
